

Wiltshire Skills Festival

During the 26th/27th March Care Ambassadors supported the Wiltshire Skills Festival event at Lackham College. 1500 students attended the event over those two days and official information given to us states that our stall was visited by over 900 students! Can we give a big thank you to everyone that was involved, your hard work paid off! David Njau (*Care Choice*) & Barbara Highman (*Spire Homecare*) both pictured above kicked the event off on the first day with Vanessa Stephens (*Carewatch*), Jamie Spencer & Danielle Wyatt (*Fairfax House*) adding support the next day. We were also informed that we were the noisiest stall.....no surprises there! This was our first big event and it was a total success.

Careers Event Trowbridge College

On the 3rd of April We attended an event on at Trowbridge College aimed at students who are currently studying BTEC First and National Diplomas. The event was attended by 200 students. A big thank you to Becky Jones (*Castle Care Wessex*) pictured below and April Ling (*Abicare*) pictured bottom right for being able to support this event at such short notice.

JOB CENTRE PLUS

James Lewis (*ILP*) and Becky Jones have been busy making connections with the local job centre plus offices. We are taking part in an event on the 10th July at the Guild Hall in Salisbury. If you are free to come and support us that day it would be really appreciated.

Can we thank Sarah Even (*project admin*) for using all her Blue Peter badge skills and knocking up a Care Ambassador banner at very short notice for the Lackham event. Nice pose Sara !
