

would you like  
to help others...  
...and help  
yourself at the  
same time?

**An apprenticeship in social care will give you valuable on-the-job work experience, a formal vocational qualification and money in your pocket.**

With a wide variety of roles ranging from administrators to chefs as well as care workers, we're sure you'll find there's a social care apprenticeship that's just right for you.

And what's more you'll be working in a really rewarding environment – in a recent survey 96% of care workers said they felt their work really makes a difference.

*I care...*
